When my 14 year old "man sized" son got mad and yelled "why do I have to do dishes!" I was pissed. I did not lay hands on that child, but my first impulse was to slap him. I calmly walked up to him with my face 4 inches from his and stated simply, "because I will not release you into the wild without you knowing how to take care of yourself. Because it's no one else's job to take care of you. AND if someday you are lucky enough to find a woman to be your partner, then YOU will be an equal partner to HER! I'm NOT grooming some giant man baby who goes through life thinking that every woman on the planet is a potential Mama who is put on this earth to take care of his needs!"

I don't understand how it's considered radical for progressives to fight for an equitable society, but it's accepted that Senate Republicans would rather take a vacation for Thanksgiving and let thousands of people die from the virus than pass relief.

Who's really radical here? [source](#)
